**2. CT Resignation**

25X1A

[ ] after about three months with us, has submitted his resignation. A well qualified and personable young man, B. A. (Political Science) and LL. B., he had expressed a consistent interest in the DDP. He insists that he has been most favorably impressed by the treatment he has received and has no gripes of any kind. He offered two reasons for leaving:

a. He has decided, after serious reflection, that he does not wish to spend two years in training. He will be 27 in August.

b. He has received an offer from a law firm in Los Angeles, available if he can start work in July 1966 at \$750 per month to start and \$1020 per month after one year.

We feel reasonably certain that he stated his reasons in reverse order.
